same subject, dated 5 December 1957

1. The Office of Basic Intelligence concurs in the desirability, as a long-range program, of having ACSI personnel engaged in production and review of the National Intelligence Survey gain on-the-job experience with our staff. As a matter of general practice, therefore, we will accept two weeks' active duty training tours for those civilians with reserve commissions who are proposed for this training by ACSI.

2. The proposed active duty tour in the period, 17-28 February 1958, in the Office of Basic Intelligence for [REDACTED] 25X1A9a Major, MI-USAR, is acceptable. It is understood that ACSI-FI will initiate specific arrangements to implement this proposal through established administrative channels in ACSI and CIA.
